Christmas message

On behalf of everyone at NovaCare, I'd like to wish you a joyful Christmas and a happy, healthy start to 2026.

Thank you for being part of our community this year — your trust and support mean so much.

We look forward to sharing another wonderful year ahead with you

Joseph McCarthy
CEO

Time to plan for 2026

As we plan for 2026, we'll be reviewing all centre activity programs and adding extra details—such as walking distances and accessibility information—to make it easier for you to decide which activities to book into. As part of this process, we'll also be conducting centre evaluations to review our programs and facilities. You might receive a call from one of our CHSP Coordinators, as we're selecting consumers at random to gather feedback and ideas for improvement.

We're also working through our annual risk assessments to ensure the venues we attend, and our centres remain safe, welcoming, and well-prepared for the year ahead.

Information packs

Over the coming weeks, you'll receive an information pack from your coordinator about the new Aged Care Act 2025. This pack includes important details we're required to share with all consumers, along with helpful information about what the changes mean for you. Your coordinator will be available to go through the pack and answer any questions you may have.

Last minute changes to daily programs

From time to time, there may be last-minute changes to our programs due to weather conditions or staff availability. We do our best to minimise disruptions, but sometimes adjustments are necessary to ensure everyone's safety and wellbeing. If changes occur, we'll attempt to contact you to offer an alternative venue or the option to cancel. We appreciate your understanding and flexibility when these situations arise.
